Programme

Part I.

1. HYMN :

- | | |
|--|---|
| 1. There's a wideness in God's mercy
Like the wideness of the sea ;
There's a kindness in His justice
Which is more than liberty. | 2. For the love of God is broader
Than the measure of man's mind,
And the heart of the eternal
Is most wonderfully kind. |
| 3. If our love were but more simple,
We should take Him at His word ;
And our lives would be all sunshine
In the sweetness of our Lord. (<i>Faber.</i>) | |
